Please record your vote on the advancement of 99 so that we can proceed with consent calendar as quickly as possible. Members throughout the Rotunda and the hallways, we need your help this morning. Clerk will record the vote.

CLERK: 26 ayes, 0 nays, Mr. President, on the motion to advance the bill.

PRESIDENT: LB 799 is advanced. Next is LB 1001.

CLERK: Mr. President, 1001, it's a bill introduced by the Constitutional Revision and Recreation Committee. (Read title.) The bill was read on January 16, referred to the Constitutional Revision and Recreation Committee. It was advanced to General File, Mr. President. I have no amendments to the bill.

PRESIDENT: Chair recognizes Senator Labedz.

SENATOR LABEDZ: Thank you, Mr. President. Members of the Legislature, LB 1001 is a bill introduced by the Constitutional Revision and Recreation Committee and it deals with the issue of deer depredation damage which was a big problem throughout the state earlier this winter. As many of you know, when there's a large population of deer, such as we have this year, the deer tend to bunch up when the weather gets cold and their food becomes covered with snow and ice. They will, also, congregate in a specific area where food is more plentiful, such as, around a field
